#### Unlocking the Power of Hinkle Hemp's Sleepytime Balm

In the hustle and bustle of modern life, finding moments of tranquility can seem like a distant dream. However, with the introduction of Hinkle Hemp Sleepytime Balm, a sanctuary of relaxation is now within reach. This balm offers a safe and holistic approach to effectively unwind the mind and body. **Let's delve into the benefits of each ingredient.**

#### Hinkle Hemp Full Spectrum CBD Infused Coconut Oil:

CBD, or cannabidiol, has gained widespread attention for its therapeutic properties. Known for its calming effects, CBD interacts with the body's endocannabinoid system, promoting a sense of balance and well-being. When infused with coconut oil, it becomes a potent moisturizer, nourishing the skin while soothing the senses.

**Olive Oil:** Renowned for its moisturizing properties, olive oil deeply hydrates the skin, leaving it feeling soft and supple. Rich in antioxidants and vitamins, it helps protect the skin from environmental stressors.

**Beeswax:** Acting as a natural emollient, beeswax forms a protective barrier on the skin, sealing in moisture without clogging pores. Its anti-inflammatory properties soothe irritated skin, making it an ideal ingredient for calming sensitive areas.

**Essential Oils of Lavender & Chamomile:** Lavender and chamomile are celebrated for their calming and relaxing properties. Lavender oil, with its soothing aroma, helps alleviate stress and anxiety, promoting a sense of tranquility. Chamomile oil, known for its gentle

nature, calms the mind and induces feelings of serenity, perfect for preparing the body for a restful sleep.

With 500 mg of CBD infused in every 2 oz. tin, Hinkle Hemp Sleepytime Balm offers targeted relief for the mind and body. Its versatile application allows for easy integration into your bedtime routine. Simply apply a small amount to your temples, under your nose, on your hands, and feet, then massage until completely absorbed. Use as needed to experience the full benefits of this rejuvenating balm.

Hinkle Hemp Sleepytime Balm offers a natural solution for calming the mind and body, paving the way for a rejuvenating nap or a blissful night's sleep.

Incorporate this soothing balm into your nightly ritual and unlock the transformative power of soothing and restorative sleep.
